

HANFORD

Located in the heart of California's rich San Joaquin Valley, the city of Hanford is located approximately 200 miles from both the greater Los Angeles area to the south and the San Francisco-Sacramento area to the north.

Hanford is truly one of California's hidden treasures, proud of its historic image and its professional attitude toward growth. It is the recipient of numerous awards, including the 1997 Prettiest Painted Places, Helen Putnam Award for Excellence, Tree City U.S.A. and a 1993 Governor's Preservation Award. Hanford is a safe, family-orientated community. The historic restoration of the community and renovation of the downtown, highlight the efforts of the agricultural, agribusiness, industrial, and commercial sectors all working together to make and maintain Historic Hanford. Children and adults alike will find Superior Dairy (National Award Winning Ice Cream Parlor) a favorite stop while visiting Hanford. Visitors can have their world famous ice cream either in the parlor or across the street in beautiful Civic Center Park
